Recent Residential Burglaries and Prevention Tips

Avoid being a victim-

1. Lock all your doors, gates, & windows
2. Immediately report suspicious people & activity in your neighborhood
3. Consider buying a home alarm, alarm stickers, motion lighting
4. Make it appear as though someone is home when you are not

Recent burglaries in the area-

The majority of these burglaries are occurring during the day when people are away from home. The pattern of these suspect/s is that they usually knock at the front door to see if you are home. Suspect/s often use these means to enter your home: unsecured rear yards, unlocked sliding glass doors, garage doors, unlocked, or open windows. The age range of the suspect/s in recent burglaries has been 15-21 yrs.

Items most commonly stolen from homes-

1. Electronic devices, iPods, iPads, Laptop computers, cameras
2. Jewelry, especially gold
3. Cash, Credit Cards & Checks
4. Flat screen TV's and DVD Systems

Be the eyes and ears of the neighborhood!

Be vigilant and don't hesitate to call 911 for activity you believe to be suspicious activity in your neighborhood. Our department is actively working to solve these crimes by using uniformed and plain clothes personnel to conduct investigative follow-up in your neighborhood.
